

TECHNICAL DATA SHEET

SpecPed[®] EyesCare

Product No.: 13509200

Introduction:

SpecPed[®] EyesCare is a water-soluble complex peptides solution. It has functions as below:

- Eliminate eye bags and dark circles
- Firm the eye circumference
- Reduce eye wrinkles and brighten the eye area
- Improve dullness and brighten eyes

Therefore, SpecPed[®] EyesCare can be widely recommended to use as the functions of anti-aging, anti-wrinkles, firming, removing eyes bags and dark circles in eyes care products.

Composition:

INCI Name	CAS No.	EC No.
Palmitoyl Tetrapeptide-7	221227-05-0	--
Dipeptide-2	24587-37-9	--
Adenosine	58-61-7	200-389-9
Acetyl Tetrapeptide-5	820959-17-9	--
Palmitoyl Tripeptide-5	623172-56-5	--
Carnosine	305-84-0	206-169-9
PPG-26-Buteth-26	9065-63-8	--
PEG-40 Hydrogenated Castor Oil	61788-85-0	500-147-5

Version: 1.0

Draft date: 2024.07.03

Water	7732-18-5	231-791-2
Glycerin	56-81-5	200-289-5
1,2-Hexanediol	6920-22-5	230-029-6
Ethylhexylglycerin	70445-33-9	408-080-2

Specification:

Items	Specification
Appearance	Colorless to light yellow clear liquid
Odor	Characteristic
Active matter content	$\geq 0.05\%$
pH (100%)	4.0 - 7.0
Lead	≤ 10 mg/kg
Arsenic	≤ 2 mg/kg
Mercury	≤ 1 mg/kg
Cadmium	≤ 5 mg/kg
Total plate count	≤ 100 cfu/g
Yeast & mould	≤ 100 cfu/g

Application:

Eyes care products: such as essence, cream, lotion, etc.

Recommended dosage:

1 - 10% (Refer to local regulations)

Usage:

Water soluble

Add in the post-production stage.

Storage:

Keep container tightly closed, away from light, room temperature storage for 12 months,
2 - 8°C storage for 24 months.

Shelf life:

2 years

Version: 1.0

Draft date: 2024.07.03

Package:

1Kg, 5Kg, 10Kg, 20Kg, 25Kg

Version information:

Version 1.0
